Fondly Remembered

*“Bidding our soulful goodbyes to this pious soul,
who left us mourning this year...”*

Smt. Kamlesh Gupta
w/o Late Sh. G.C. Lagan

Smt. Kamlesh Devi Ji had been a poignant part of Bal Bhavan Family, a motherly figure and a delightful persona of Humanity and integrity. Her life taught us wisdom to fight challenges and move ahead with dignity. She had been a woman of substance and a sensitive life partner to our school's Late founder Chairman. Her sad demise is an irreparable loss and an integral missing to our lives. We wish a heartfelt peace for her divine soul and a graceful place for her in her heavenly abode.

The Pioneer

Late Sh. G.C. 'Lagan'

(Founder Chairman)

An intellectual par excellence, with liberated spirits and determinism to devise his dreams into reality, Sh. G.C. Lagan is not just a name but soul of Bal Bhavan Group of Schools. His humble lineage and simple lifestyle had though lead him through adversities and distresses, however his unassailable spirit and perseverance graced him with the fulfillment of a foreseen vision of establishing an educational institution where education is imparted in its true sense. It was owing to his resolute being and tenacity to forfeit success, for he was titled as 'Lagan'.

Over the years, he had been victorious in carving a niche where 'Goodness precedes greatness'. His ideologies and principles shaped the virtues of his associates. Under his abyss, the knowledge dispersed with the essence of morality. Through his creative approach, he developed the skills of all his associates and thought of wholesome growth of everyone. He stood as a pioneer to forge the hidden energies and talents of young individuals to the advantage of a progressive society. Amongst the abundant qualities he possessed benevolence was one quality for which he won the hearts of his associates. A fatherly figure, whose chidings had a sense of love for his prodigies and tutored obdurate notions of humanity.

**The
Principal's Voice
Mr. B.B. Gupta**

“Over the years it has been our discourse to coach democratic outlook to our disciples, so that the luster of their ideologies spread across the societies they are soon going to represent. I have seen the school and all its genres progress with appreciable notions. Our pupils produce glorifying prospects of the future and the vigor and effervescence of their prismatic personalities spread across the abyss of knowledge. With growing years we are modifying our approaches to fulfill the needs of the inquisitive generation which aspires to work beyond the mundane. With a belief that each pupil is unique and brings his own flavor to an organization, we sought to savor the differences and try to make a difference to this world through our humble endeavors at the root level. Along with the technical advancements we aim to establish rationality and humanity in their beliefs, so that they instill within themselves a true essence of values and cultures thereby better qualifying the paradigms of success.”

The Vice Principal's Blog

Mr. Vividh Gupta

The progressive vision and an unconventional mindset is discretion of an enlightened being. We are in an era where every radical thought counts to ameliorate society. The contemporary youth is the sole hope for a futuristic world where sustenance would be possible with an ultra modern outlook. In the light of the need I try to train my prodigies with a discipline amalgamated with education and acceptance as I believe that our young minds are no less than a proverbial Pandora box endowed with abundant intellect and excellence. It is the duty of society to shoulder the responsibility of a righteous nurturer who is able to flourish the seeds of perseverance and commitment in them and guide them to be a pioneer of a tolerant and harmonious civilization. The youth is trying to mould its skills as per the need of times, if we mentor them well we can certainly aim for a synchronized world."

Ms. Kavita Mehrotra Headmistress

“The days spent at school are the most enriching experiences for a student's life and the years spent in there are precious. A child who enters the school is no less than wet clay, which is moulded into different shapes influenced by its environs and impressions. Therefore it is our prime concern as superiors and the experienced, to create and shape environs where the children flourish to inspire his future generations. We at Bal Bhavan, aim to create the ignited minds, who pose themselves as diligent torch bearers, and aim to soar above the mediocrity. We are cautious enough to harness and maneuver their dormant energies into a channelized potential where they can contribute to the growth of society. Understanding the vagaries and demands of the ever changing world, we sought to provide a platform to the young learners where they can be an aspirant for the vast treasure of knowledge offered by the world and enchant as an alchemist of their destinies.”

Felicitation Ceremony

REVERING OUR LAUREATES...

The school takes pride in honouring its young laureates, who stand distinct and perform exceptional and hence the customary ceremony of Felicitation is conferred to eulogize their achievements. Every year the ceremony is held on 16th August, 2018, the birth anniversary of our Late Founder Chairman, Sh. G.C. Lagan, to reward the academic and non-academic achievers of our school. This year the school initiated to reward every little effort of the individuals by not only conferring awards to the toppers but also the students excelling in one or the other field over the years.

We were graced with the presence of renowned personalities as Dr. Ramraj Rai (Director Lok Sabha), Dr. Sudhanshu Pandey (Home Ministry), Sh. Anand Singh Bisht (Deputy Director Of Education, Delhi Govt.), Dr. Sumit Dubey (Prof. Maulana Azad Medical College), Sh. Vinod Bacheti (Director, Delhi Paramedical and Management Institute) and Sh. Ramesh Kandpal (Convener and Instructor at Akhil Bhartiya Anuvrat Nyas) along with presence of the proud parents of those who were being revered.

Those who were being rewarded included; class XII and X CBSE Board Exam School Toppers of session 2017-18, honored with Sh. G.C. Lagan Memorial Academic Excellence Award, along with the subject toppers and those who secured 90% and above aggregate

in these examinations were acclaimed with medals and certificates. School also bestowed the Scholar Badge to the ones who have been performing exceptional over the years and the ones who maintained a 100% attendance for past 3 consecutive years were awarded with trophies. Alongwith, School also recognized the efforts of their mentors and rewarded two of our school's faculty member- Ms. Sonali Rawat (PGT Mathematics) and Ms. Akansha Gosain (PGT Economics) with trophies for their arduous efforts and guidance in mentoring their students.

The program began with customary Lamp Lighting ceremony, along with an enthralling stage presentation depicting the theme of harmony and peace amongst nations and world at large and humanity being the sole religion to be practice by one and all. The day culminated with regard and wishes to the applauded achievers and their proud parents and relatives.

Tejas Sharma (Class X topper) receiving Sh. G.C. Lagan Memorial Scholarship of Rs. 5100/- alongwith a Medal & Certificate of Excellence

Ms Sonali Rawat (PGT Mathematics) rewarded for excellent CBSE board result 2017-18 in her subject

Shaswat Goel (Class XII commerce topper) receiving Sh. G.C. Lagan Memorial Scholarship of Rs. 11000/- alongwith a Medal & Certificate of Excellence

Ritika Goyal (Class XII Humanities topper) receiving Sh. G.C. Lagan Memorial Scholarship of Rs. 11000/- alongwith a Medal & Certificate of Excellence

Jatin Goel's (Science Topper Class XII) Parents receiving Sh. G.C. Lagan Memorial Scholarship of Rs. 11000/- alongwith a Medal & Certificate of Excellence

Ms. Akasha Gosain (PGT Economics) Honored For Praise Worthy Board Result In Her Subject (2017-18)

Shruti Garg (XII) secured I Position in SOF ICSO Exam

Acclaiming Sh. G.C. Lagan Marg A visionary immortalised

Mighty attempts and dedication towards the unspoken dreams encores the loudest in the regime of dreamers and artists. One such legend was our Founder Chairman Sh. G.C. Lagan. He gave this institution and our society, a progressive vision. Beholder of a unique perspective that targeted the foundation of core ethics and values he aimed to develop progressive ideologies rather than developing a materialistic approach. The event of the foundation stone-laying ceremony of **SH. G.C. LAGAN MARG** was one such proud day when history recorded a visionary being immortalised forever.

The School felt blessed to receive real life inspirations and register the prestigious presence of National Vice-President (BJP) Shyam

Jaju, Mayor Neema Bhagat, Magistrate Kulanand Joshi, Councilor Bhawna Malik, Arjun Rana, Amrish Gautam, Lalit Joshi, Nandan Singh Rawat & Mula Singh. The event initiated with the symmetry of the

beautiful band performance. It was followed by the harmony of a musical symphony while followed by the rhythmic dance performance. The performances reflected upon that undying spirit which our founder chairman sir left us as part of his legacy. The landmark which now sings the tale of the legend was appropriately elaborated by the guest of honour Mr. Shyam Jaju and Mr. Kulanand Joshi. In their address to the students they acknowledged the contribution of Sh. G.C. Lagan to the society, his vision and the need to establish oneself as an inspiration to others.

Heading for higher aims...

The ISA Journal

Working for ISA (International School Award) under the aegis of British Council had been no less enriching experience, wherein the entire school throbbled with the activities organized to fulfill the challenges pledged at the beginning to the session towards the direction. The school enrolled itself for the award and undertook challenge to fulfill 7 different Action Plans focusing on areas of Global concern. The age appropriate activities were planned keeping global dimensions as concern and sought to tap upon student's understanding of world and society.

The school initiated school assemblies, workshops and seminars keeping the activities of the decided action plans in consideration. The actions plans undertaken included the areas like;

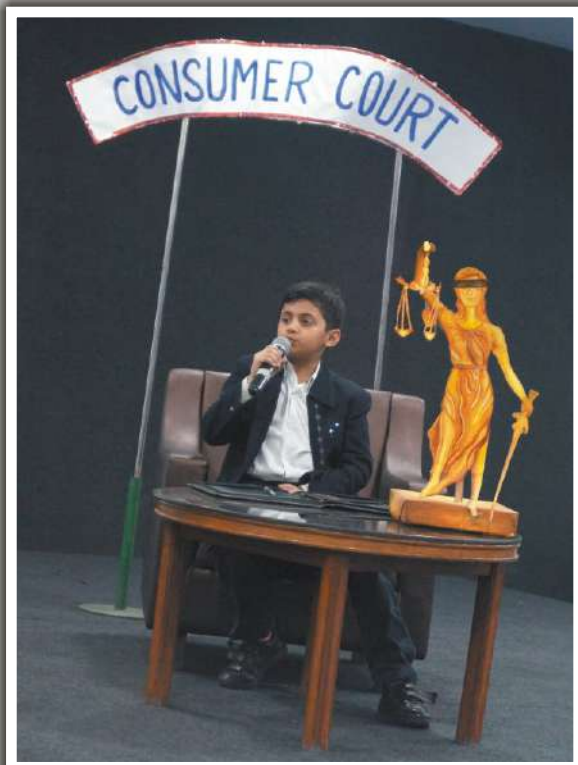

Cyber Wellbeing : It aimed to click upon the areas of cyber crimes and cyber bullying around the world and sought to find the solutions and means through which the issues are dealt India and abroad.

Under the plan, school organized an Expert talk with Mr. Rakshit Tondon, Cyber Security Expert India, for students and their parents to aware and acquaint them with the types of cyber crimes and the way they are monitored in India. Along with it the school organized a drama competition for students of class IX, configuring the enactment of different cases of cyber bullying and cyber crimes and sought to beware students from indulging in the same. The similar theme was worked out for students of KG wing, who were guided about the web and chain of social networking and internet which has taken over the minds of present generations and the harmful impacts of the same.

Stop the Pollution Quick : Don't make the water Sick. Under it the activities planned tapped upon the issue of water pollution in India and abroad. Students of class VII were made to research and monitor the water quality of various sources not just in India but also in the selected countries. They were taught the skill of assessing water quality. The school's primary wing students of class Nursery contributed in the activity conducted in their class wherein they were guided to understand the human activities which are leading to water pollution and how humans can contribute in minimizing the same.

Consumer Manifesto : The action plan aimed to peep into consumer grievances and the solutions in India and abroad. The activities undertaken included a visit to Consumer Redressal Forum, India, where students of class X got an opportunity to look upon the different types of consumer complaints and the possible solution provided by the authority. Along with a Seminar titled 'Wake up Alarm' was organized to sensitize the students about the rights and responsibilities of consumers in a market place. A dramatic representation 'Reel to Real' was also

organized for students of class IV to assess students' understanding of the topic in which they presented the different cases of consumer grievances and the way they are dealt at Consumer Redressal Forum.

Probing the ethos of Sports : The action plan was chosen with an idea, to acknowledge the students' acumen over sports along with augment their knowledge of National sports of the chosen countries. Students underwent a project under which they researched upon the National sports of different countries and presented the same in class. Alongwith, a Sport Quiz was organized for students of class VI, to gauge their knowledge of sports. For class I, a yoga session was organized to enhance their knowledge about different asanas and their health benefits.

Vibrant Culture : The action plan incorporated activities which aimed to explore the cultures and traditions of different countries around the world. The school organized a cultural exhibit in which the students of class III

presented a cultural exhibit covering the attire, cuisine, folk dance etc of the chosen countries and presented a glimpse of vibrancy around the world. The students of class XI prepared projects covering the areas of ethnicity of the selected nations.

Exploring Folktales and Folklores : The activities aimed to enhance student's understanding about Folktales and Folklores around the world. Students of class VIII researched and surveyed upon the essence of folktales and explored the background of different folktales of chosen countries, whereas, students of class II tried

to explore the characters and the characteristics of the folktales of different countries.

Touching the lives of Elderly and Specially

Abled: It aimed to draw students' concern towards the lives of Elderly and Specially Abled people and acquainted them with their rights. The activities organized included visit to old age home, which was undertaken by students of class XII. A special assembly by students was instrumental in sensitizing them about the difficulties faced by the said section of society and the role of society and its people in creating humble environment for them.

The school embarked on the ISA journey in 2018, though a tentative beginning as the path seemed to be rife with several challenges and hurdles but today we look back with pride and wonder at our accomplishments. What seemed impossible then is now a clear memory. There was learning, researching and consolidation involved. Lot of technology was mastered to achieve our goals. But the biggest achievements have been building international ties along with an international exposure was gained. We saw similarities in the problems and some universal solutions. We are thankful to our students, teachers, parents and all associates who have been instrumental in fulfilling our goals along with we are much obliged to our International collaborations with Schools Arunima Secondary School, Katmandu, Nepal and Peace Zone Residential English Boarding School, Itahari-Sunsari, Nepal and Indian School, Sohar, Oman, and British Council, who gave us opportunity to get familiarize with their expertise. It was indeed a remarkable experience.

Investiture... Introducing the Student Council 2018-19

The inaugural ceremony of the New Student council, bade us new promises for session 2018-19, headed by Muskan Pathak and Bhavya Chandna of class XII as Head Girl and Head Boy respectively. The ceremony was conducted on 15th May, 2108, wherein the school forwarded the duties and responsibilities to yet another panel of responsible students who volunteered to be accountable to represent the vast multitude of their kind.

The ceremony was conducted in the presence of School Principal, Vice Principal and Headmistress, who flagged the ceremony after a ceremonious lamp lighting to mark the auspicious start of the day. Following the customary of the day, the students marched ahead with their titles presenting the pride and valour of the badge they shouldered to carry. The oath taking ceremony was yet another rite followed, wherein the students pledged to shoulder the responsibility entitled to them with dedication and commitment. It was delightful to welcome the Ex-Head boy Sanchit Gupta and Ex- Head Girl Akanksha Mishra, who were there to share their regard and reverence to school for entitling them with the responsibilities the previous year. The conclusion of the program presented a glimpse of promise from the new student council to prove their mettle through the designation they held.

51st Foundation Day Invocation... Blessings for School's Foundation

The 51st Year of the school was celebrated with divine invocation. Along with the customary prayers, school also organized a formal ceremony which was attended by the members of school management, staff along with the students, who together prayed for the grace of almighty for many more successful years. The Foundation day celebrated on 7th August, 2018, certainly endowed the school's environs with an aura of spiritualism and optimism.

ENCORING ECSTASY WITH...

Galaxia 2018

This year too, the Inter- School Fest, Galaxia organized on 25th October, 2018, stood as a culmination of exaltation and exuberance where young talents invested their skills to edify the spectators. With an aim to forge out the abundant talents within the youngsters of present era, the event eulogized the spectrum of immense energy and prospects.

The fest unleashed the hidden prospects of capacities and abilities which pulsate in the nerves of present generation. Once again the event incorporated the participation of 22 renowned schools and their pupils in Delhi and NCR and the enigma of the dormant energies busted to glorify the essence of the century we belong to. The various events organized under the head

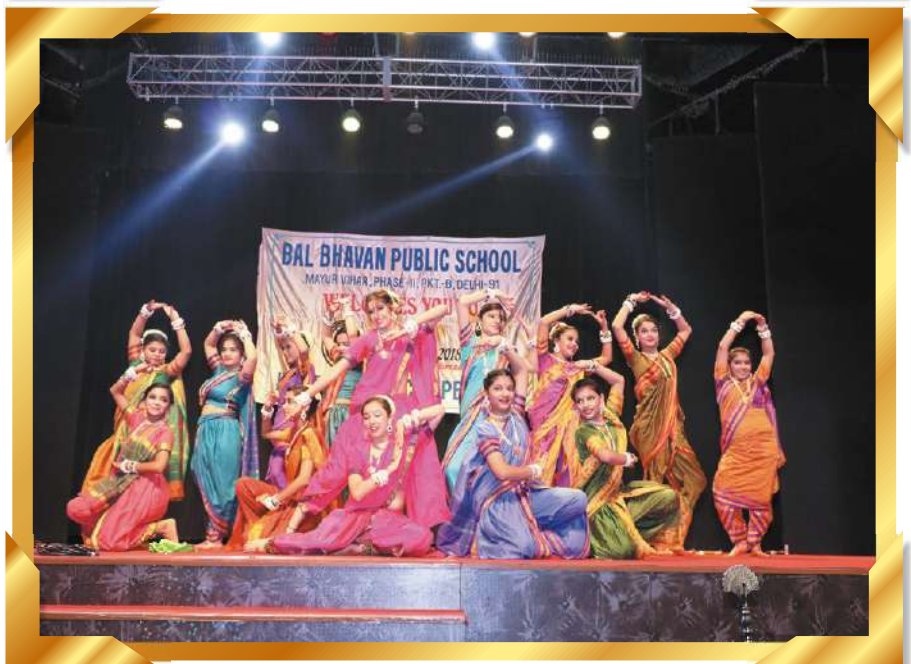

sought to elite the young minds and their core intellect and helped them recognize and appreciate their potential. The vigorous energy of the youthful prodigies reconciled to showcase a better glimpse of future.

The events included dance and music, art and craft, English poetry recitation, flip debate, Sanskrit kavita path pratiyogita, street play,

Hindi lok katha vachan, Mime act, mono act and Ad mad. The program commenced with a lamp lighting ceremony and thereafter a mesmerizing dance performance by students of the host school unveiled the essence of the fest. The performances of the young budding minds were appreciated by the visitors and the judges were impressed to applaud students for their tremendous capacities of proving their mettle. Amongst the judges; Mr. Vipin K. Sethie (owner at Filmy Mirchi production), Mr. Surya Prakash Semwal (News Editor in Punjab Kesari), Ms. Ritu Srivastava (Asst. Manager at Zee Learn) were few of the renowned faces who keenly observed and appreciated the immense talent present in the young generation. Mr. Abhinav Chand, (Former RJ at Radio Mirchi) fondly known as RJ Abinav, who was also one of the judges, took the opportunity to express his delight at the professed platform where the contemporary youth can gauge his talent. The winners of the various events were graced with their glistening trophies and certificates.

4TH SH. G.C. LAGAN MEMORIAL ATHLETIC MEET

The 4th Sh. G.C. Lagan Memorial Athletic Meet-2018 organized on 26th October, 2018, once again stood as a resonating endeavor of school, which aimed to unchain the vigorous energy enthralling in the budding athletes of the era. The Inter-School event has been a grand success over the years. Fondly structured in the memory of school's late Founder Chairman, Sh. G.C. Lagan, the event captured the essence of his ideals he envisioned in the future makers.

As a platform for the young athletes, the event was not just an event but an opportunity to unravel the hidden energies flourishing inside the upcoming sportsmen of the generation. With about 46 schools participating from Delhi and NCR, the glorifying event sought to incorporate a feeling of true sportsmanship and created an abyss of optimism and confidence for the youngsters and alongside channelizing the dynamic prowess throbbing inside each heart.

The event was commenced in the presence of Chief Guest, Mr. Raj Kumar Sangwan, who was first Indian Boxing Gold Medalist, along with several other pronounced and prominent dignitaries who were witness to the fervor and enthusiasm of the participating youth. The meet consisted of several races which included 100 mtr, 200 mtr, 400mtr, 600mtr races etc in which the budding athletes presented their chasm of energy and passion. The victorious ones were lauded with laurels in form of medals and certificate along with an acknowledgement to all the participating youth. The overall championship trophy was bagged by St Mary Sr. Secondary School, Mayur Vihar-III.

Invigorating Sportsman Spirit

AT ANNUAL SPORTS MEET

Annual sports meets have always been a true fascination in a school scenario, where one gets opportunity to embrace one's sportsman spirit and expose the hidden energies. The meet was organised separately for school's senior and primary wing on 24th November and 5th December, 2018 respectively. With a customary beginning of lamp lightening, March Past and flag hoisting, the event turned out to reveal the enthusiasm and enthralling valour of each students.

The school's primary and senior wings were truly excited to be in their true selves and were showcasing the symphony of their charismatic persona on the sports ground.

With the declaration of meet open by the school Principal, the school's sports stadium witnessed a heart throbbing spectacle of young sparkling athletes performing to the best of their abilities. With a number of conventional and fun races and activities, the students undertook the task assigned to them as challenge and posed themselves as responsible representatives of their class and performed in the name of their class.

Along with the events for students, the school also segregated certain fun races and events for school teachers who were equally excited to perform and were rewarded for the same.

The prize distribution ceremony remained the most awaited section wherein the winners of various events were rewarded with medals and certificates and the spectators cheered for their representatives.

Apart from announcing the results for the events it included the awards for school houses under various titles. Under the category of best house for managing the school activities, the title was secured by Prerna house while the leading house with two shields under the category of best house in curricular and co-curricular activities & best marching squad and the rolling trophy for the best house of the year was Jagriti house. The event concluded with the equivalent zeal and enthusiasm promoting the importance of sports in our lives.

AT HELM OF NATURE AND THE NURTURER...

EARTH DAY...

THE CALL OF MOTHER EARTH

“We have not inherited Earth from our ancestors; we have borrowed it from our children”

It is evident that the Mother Nature plays an indispensable and imperative role in lives and nurtures and caresses our very soul till our last breath, but the mankind of the present era has lost its humanity. We are scraping the very life out of our mother earth, compelling her to lose her natural beauty. In order to spread the consciousness regarding this serious issue the school celebrates World Earth Day every year.

This year on 23rd April, 2018, the day was celebrated across the school, highlighting the grave issues bothering Mother Earth.

The event focused upon underlining the need of 'giving Mother Earth a hand', in a time when all the natural resources are counting on their last breath its time to revive them by being able to observe situations with a sensitive eye. The students of class X initiated the assembly with a poetry sung on behalf of Mother Nature, while it moved further with a beautiful musical performance highlighting the beauty of nature. The highlight of the event was

a documentary showcasing the projects initiated by our school in order to conserve energy such as the solar power project, organic vegetable garden and the water harvesting project which is part of our infrastructure itself. This initiatives supplied the required inspiration to our young minds. A beautiful mime act which followed, depicted the agony of water, the silence of the students was strong enough to tell how man-made pollution is eating up our life saving elixir. At the conclusive note a mesmerizing dance performance took away all the hearts while singing the tale of infinite might of water.

It was one of those events which not merely focused on providing entertainment but

worked to break the ice frozen on the surface to compel us to think, to get up and act rather than project.

The school's tiny tots were also guided to do their little in the direction. Through various activities students were guided to save the precious entity of human life. The save water drive was carried out from 23rd April to 4th May, 2018 wherein the students were asked

to come dressed up in the colours of blue. The nursery kids recited a rhyme on water safety. The drive was followed with a story session wherein the story of the origin of water from the Himalayas and the human efforts that can help solve the crisis were highlighted. The school also sought to gather parent feedback towards the concern and guided them to tutor their child the need to save water.

TRUDGING ALONG THE TECHNICAL ERA...

ANNUAL SCIENCE EXHIBITION 2018

Themed 'Innovation & Technology'

The young virtuosos' of the school took another innovative dive while demystifying the scientific world. The two-day Science Exposition was no less than a venture, where students of Bal Bhavan tried their hand in practical implication of their scientific learning. It was certain that their efforts bore fruits, with a presentation of admirable models to display the abyss of science and the technology. The exposition was a healthy outcome of scientific theories and technical

advancements wherein the young prodigies screwed their minds upon their learning and developed innovative ideas which can revolutionise the world at large.

Keeping in mind the concept of sustainable development, the ideas presented a hope for a future, where world could advance without compromising the needs of upcoming generations. The event was graced by the

presence of Dr. Harish Chaudhary (Professor at IIT Delhi), Dr. B.C. Sabata (Sr. Scientific Officer, Department of Environment, NCT Delhi) and Mr. Ramesh Kandpal (From Akhil Bhartiya Anuvrat Nyas) along with few other IIT professionals who judged the students' calibre. The exposition was praised by the visitors, who were captivated by the ideas presented by

the young learners. The exhibits included eco-friendly houses, electromagnetic cranes, smog absorber, Spiro-graph, Maths in music, Smart stick with sensor to make blind people self-reliant etc. The budding innovations by the tiny scientists were no less than a feast to the eyes of beholders.

The closing ceremony was yet another splendid sight, graced by the presence of Mr. Sanjay Bharti Chairman of Public School Forum, Mr. Vijay Vardhan Daga (trustee of Akhil Bhartiya Anuvrat Nyas) and Ms. Chandrika Joshi (Famous Voice at Aakashvani). Our young genius Pratyush

Chandra Jha, student of grade 10 was titled with 'Shri G. C. Lagan Young Scientist Award'. Along with several others were honoured with medals and certificate for their splendid efforts. No doubt their parents were exalted with pride and satisfaction at the initiative of their wards.

The exposition proved to be a great platform for those young intellectuals who possess the spark to shed the scientific grace in order to grab solutions for contemporary problems. Pacing forth upon the dream of our founder chairman Sh. G. C Lagan the event was yet another milestone where his dream was actualised.

SPECIAL ASSEMBLIES

Mother's Day

BY CLASS-IV

Understanding the wonderful roles our mothers play in nurturing us through thick and thin and a day is not enough to pay her a tribute for her contributions in our lives, 'Mothers day' is celebrated across nations for the divine soul who is next to God. School regards all mothers for their indispensable being and therefore a tribute to them was paid

on 12th May, 2018 through a beautiful program presented in the school's open air theatre by the students of class IV which was accredited by their parents. The special assembly titled 'Meri Aas Maa', was an overflow of emotions and love; the children have for their mothers. The program witnessed a dramatic display of sacrifice done by a historical character-'Panna Dai', who sacrificed her own son to save the life of the

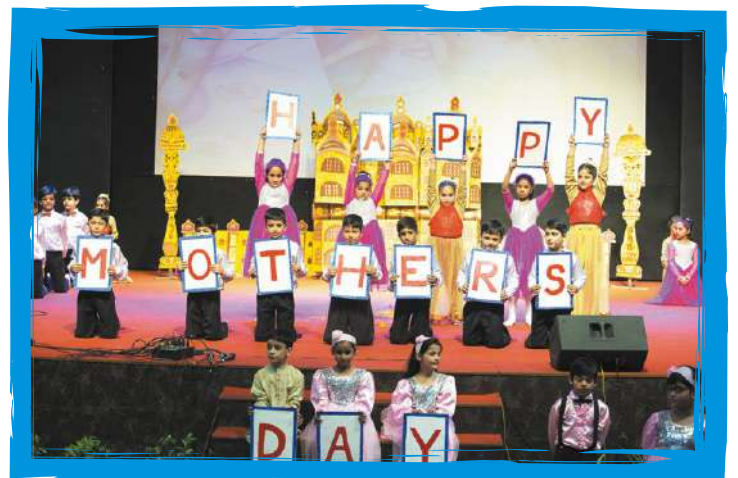

Royal prince. Along with, a mesmerizing musical dance performance was much appreciated by the audience.

The celebration was continued further across the primary wing in different classes. Students of classes

Nursery and KG prepared colourful cards for their mothers and students of class I decorated beautiful Tiaras to adorn their mothers whereas students of class II learned to write their lives' first letters to their mothers. The dedication and love was well witnessed in the efforts of the children who were heartily excited in performing these activities.

The tiny initiatives were though not enough to thank her for the struggles she undergoes for her children yet a day and minute efforts to make her feel special suffices to cherish her for life.

Touching Lives of Specially Abled

An initiation by class XI

"There isn't a concept of Disability...there are only different abilities..."

It is easy to sympathize and contemplate upon the lives of Differently Abled, but what really brings a change in world and society, is by looking through their eyes. We can never really empathize with their feeling and sentiments; however our little efforts of support and understanding can help them see their lives from different perspective. It was owing to this concern that our students of class XI designated a day's morning assembly to the lives of Specially Abled and presented a picture of the world from their perspective.

SPECIAL ASSEMBLIES

The stage presentation involved a dramatic representation of the life of a young girl 'Inayat', who despite being deaf and blind succeeds in fulfilling her dreams and becomes successful in establishing herself as a woman of substance. The assembly also tried to instigate the audience about the adversities faced by this stratum of society and what they expect from their surroundings. Along with it also sought to aware the spectators about the government provisions in accommodating an inclusive environment for them.

The highlights also included the extensions done by few of Indian Schools in equalizing the societal platform for the group. In the culmination of all, the assembly proposed to amend the stereotypical projections of our society by presenting a distinct perspective to the ignited young minds and inspired them to have a progressive ideology of sustenance and adjustments.

Rejoicing the effervescence around the world...

Vibrant Culture

SPECIAL ASSEMBLY CLASS III

Celebrating the colours of vivid nations around the world, the students of class III, presented a vivacious and splendid program with a title, 'Vibrant culture', wherein they showcased a highly enlightened view of the joy and culture prevailing across the world. Promoting the feeling of oneness and unity amongst the nations, it tried to unite the beliefs and mind sets which pulsate in the

SPECIAL ASSEMBLIES

beings all over and around.

The program was commenced in the presence of the proud parents of school's primary wing, who were amused by the performances of the students. The students presented various nations and their vibrant cultures, which included countries like Spain, France, Sri Lanka, China and Ukraine. The students not only introduced the spectators with the

beliefs and ideas behind the festivals celebrated in the aforesaid nations rather they also presented a colourful folk dance of the countries which filled an aura of rejoice and excitement.

श्री आगमन

SPECIAL ASSEMBLY BY CLASS V

Shri Aagaman, had been one such enthralling event, which echoed deep into our hearts, with its mesmerizing dance performances and binding stage presence. The special assembly presented by students of class V on 3rd November, 2018 held our gaze with the exceptionally alluring performances by the young prodigies.

The program featured the most significant festival in Indian culture, Diwali and focused on the importance of sustainable development goals. A message of the dire consequences of adding pollution to our lives by bursting crackers was shared. With a beguiling beginning in form of a dance performance depicting the different incarnations of Lord Vishnu, the Hindu mythological god, the function showcased an epic representation of 'Goddess Lakshmi descending to the Earth with King Bali'. Along with the enchanting Lakshmi Mantras mesmerised the environs of the school's theatre. The thrilling portrayal had powers to leave the spectators filled with awe and inspiration for the depiction was no less proficient.

The commencement of the event with the song Khusiyon wali Diwali, filled in a symphony of a beautiful message which enlightened the minds with the true essence of celebrating Diwali.

The program was witnessed and appreciated by the presence of the guardians of the performing class. Not just the students were praised for their elusive presentation but the environs created and aura represented rejoiced and enchanted every soul with spiritualism.

IMBIBING VIRTUES IN OUR INNATE BEHAVIOR...

From Values to Virtues...

Special Assembly by Class II

The special assembly by class II organized on 29th September, 2018, was an endeavor to invoke the dormant virtues that are part of human life. Through different folktales and stories the tiny tots showcased a glimpse of various values and qualities which frame the traits of human in one's life. The assembly was witnessed by the parents of the performing students who appreciated the talent and skills of the students.

SPECIAL ASSEMBLIES

VENTURING THROUGH THE WORLD OF FOLKTALES

Lok Kathayein Jeevan Ka Saar

SPECIAL ASSEMBLY BY CLASS VIII

Listening to our folktales has always fascinated us for the placating and binding effect they have on us but also for stimulating our behavioral aspects. The special assembly by class VIII on 7th December, 2018, sought to remind us the taste of our early childhood fascinations with folktales. The assembly was titled as 'Lok Kathayein Jeevan ka Saar' resonating the lessons of past which helped us in

SPECIAL ASSEMBLIES

shaping our personality. Presented in the presence of school Principal, Vice Principal, Headmistress, Ms. Rinni Srivastava along with Ms. Gloria Paul, the Assistant Director Smile Foundation, the assembly was a mélange of recollections of past, ideas, thoughts and expressions. The sonorous beginning with a childhood lullaby 'Ek Chidiya anek chidiya' mesmerized everyone with the memories of past.

Along with the beautiful dance performances and soothing symphonies sung by the students, a dramatic presentation of an Indian folklore was a treat to senses. The presentation by the students also aimed to reflect upon the aspects of Sustainable development focusing quality education and No hunger. On the whole the assembly was a rejuvenating experience for all spectators.

Zinda Rahenge Kalam

SPECIAL ASSEMBLY BY CLASS IX

“Greatness begins beyond your comfort zone.... Dr. APJ Abdul Kalam”

Dr. APJ Abdul Kalam was a great human being, loved by all people irrespective of their social diversities. He has not only contributed in the field of Science & technology but also revolutionized the whole nation especially youth by his idealistic thoughts and character.

Proceeding with the legacy of this eminent personality, students of class IX gave tribute in the form of special assembly by showcasing their talent.

The assembly titled “Zinda Rahenge Kalam” which was devoted to the intriguing vision of Dr. APJ Kalam of having a high goals in life, simplicity, passion for work and thirst for knowledge. The program was strung by a sonorous musical presentation followed by an unforgettable skit performance by the students. Through skit, students depicted Kalam’s ideology of being compassionate in a magnificent way. The skit conveyed that APJ Abdul Kalam would always be alive in our heart.

The program indeed was an electrifying one and ended with a remarkable dance performance by students, which left the spectators enthralled.

The Christmas Bells...

Echoing Jingles and the Resonating Carols Calling for Santa...

SPECIAL ASSEMBLY BY CLASS KG

SPECIAL ASSEMBLIES

The celebration of Christmas was yet another time of fun and frolic, where tiny tots of primary wing celebrated the birth of Jesus and sang the symphonies of carols as a call for Santa Claus. The special assembly by class KG on 22nd December, 2018 showcased a glimpse of talent and charisma of tiny buds of Bal Bhavan. The program highlighted the true

significance of celebrating Christmas and gave a message of peace and harmony, along with, a musical ballet was true depiction of the valor and excitement in the

little learners who were full of enthusiasm while performing and were enchanted by the mood of Christmas.

SPECIAL ASSEMBLY BY CLASS I

SPECIAL ASSEMBLIES

The special assembly by class I organized on 9th February, 2019, aimed to highlight the course of development in society over the years. Beginning with Indian history, it presented the revolution in the society that brought freedom to the country and along with the changes that have taken place over the years with the growth and development taking place in the country over the years with strong armed forces.

Alongside it highlighted the concept of sustainable development with its key goals, focusing upon education and environment. The students presented the plight of poor children deprived of their basic right to education and how all can contribute in fulfilling this goal.

The performances by students were worth appreciation, which skillfully presented the effect of human acts upon nature and environment and taught the true meaning of development to the spectators. The assembly was presented in the presence of school's Vice-Principal and Headmistress along with the parents of the performing class, who were mesmerized by the performance of their kids.

*“In every stepping stone... there lies the hurdle of challenges
Some ignore some learn from difficulties...
Let's wait for the right time... coz what might seem doubtful...
Might create new histories... as Sometimes...”*

Imperfections can be beautiful...”

- SPECIAL ASSEMBLY BY CLASS NURSERY

“Sometimes society acts impatient, we are always eager for results, and when the results are not up to expectations we start doubting. The small children are learners, some respond immediately, some are silent observer, but it does not indicate their learning disability, it just demands our patience to wait, may be the child is deducing creative ideas in his learning...”, this was the message, class Nursery students wanted to convey through their special assembly conducted on 23rd February, 2019. Parents who are often curious in the race of society often act impatient and start doubting, however, it is evident that every child learns, though he might take time to showcase the outcomes.

Through a proverbial play, the students presented this idea, wherein they presented the animal world, where the lion draws comparison between its two cubs and tests their learning outcomes. The theme was well conveyed wherein the parents appreciated the presentation and realized what might seem imperfect, might have a beauty residing within. The school Principal and the headmistress were the guests, who were not just overwhelmed by the theme presented but also mesmerized by the acting skills of the tiny tots who have just begun spreading their wings.

SPREADING VIRTUES OF KINDNESS...

World Kindness Day...

SPECIAL ASSEMBLY BY CLASS VII

The special assembly by class XI organized on 24th November, 2018, aimed to awaken virtues of kindness and humanity. The students of class VII showcased a presentation that triggered the quality of basic kindness that one needs to imbibe in his behavior which can change the perspective of world.

SPECIAL ASSEMBLIES

Spic Macay... with Ms. Shovna Narayan

ENGAGING OURSELVES WITH KATHAK BEATS

“Dance is an eternal art which transverse the magma of hidden emotions and gives freedom to liberate from internal clashes.”

The day was mesmerizing and edifying with the presence of the Kathak Diva Shovna Narayan as an event organized under Spic Macay, a renowned non-political organization working for the promotion of Indian classical art and culture.

Padma Shri Shovna Narayan needs no introduction for her benign persona and delightful personality and her dance makes everyone hold their breath and makes them spellbound. Her presence was no less than learning for all spectators and taught them the lesson that age is no barrier to learn. The wide educational profile along with her expertise in the art of Kathak inspired everyone to follow her trail.

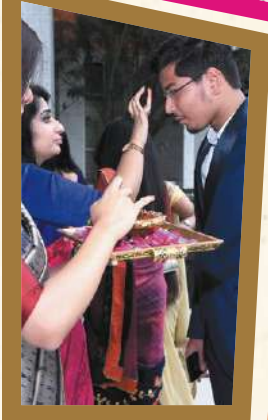

She shared her enriching experience and mentored the students above the various mudras of Kathak, which is one of the ancient arts of Indian culture. She exhibited the mystery behind each move and how each performance is a story to narrate.

PURSuing DIVINE GRACE FOR A BEAUTIFUL JOURNEY AHEAD...

Farewell 2018-19

FROM THE ARTIST'S CANVAS...

Annual Art Exhibit

“For every prolific discovery, one needs to have creative thinking.

When we look through artistic perception, there is beauty all around and the presentation of the same is much more bedecked when an artist adds his imagination.”

The school's art & craft department strives hard to draw student's creative persona, and try to enhance their visionary skills, through which they can add charms to ordinary. The Annual Art Exhibit on 12th January, 2019, was one such venture through which the department tried to expose the artistic valor of students. The displayed antics were no less wonder and won spectators' appreciations. The exhibits included the presentations from different classes, best out of waste and handicrafts.

A GIFT OF SAPLING TO MOTHER EARTH

The Plantation Drive

In pursuance to the decision taken by the Delhi Govt. of planting five lakh saplings as part of its monsoon wooding programme this year, a tree plantation drive along with inspection at Rajghat and Smriti Sthal was undertaken on 8th September, 2018.

Keeping the urgency of the issue and the need of contributing to the environment, the teachers and the students of our school participated in the drive appealing the conscience of people towards the importance of tree plantation. Chief Minister, Arvind Kejriwal inaugurated the drive at Yamuna flood plains, village Usmanpur, near 3rd Pusta, Garhi Mandu, Shastri Park. The school students enthusiastically participated in the drive and promoted the growing concern and the need. It was a moment of pride and we tried to provide our possible share to the environment.

OUR VENTURES

There is lot we can offer to the world... by being sensitive and empathetic

Urging love and respect for our Elderly

Joining hands with **Help Age India**

The school in collaboration with "HELP AGE INDIA" undertook an initiative aimed at sensitizing the students towards the rights and status of elderly population in India. In the need concerned a workshop was organized inviting Ms. Anupama Datta (Director Help Age India) and Ms. Rojibala Thockhom (State in charge, Delhi NCR Help Age India). The major aim of the workshop was to initiate the required factual knowledge and the statistical information regarding the no. of deprived elderly in need of the support of their children and their basic requirement. It was an interactive session where students gathered information and placed forward their experiences upon the issue.

In continuation to the workshop conducted the school organised a visit to an OLD AGE HOME Arya Mahila Asharam, Rajinder Nagar, on 7th August, 2018, where the students of class XII indulged in a fulfilling experience with the elderly women and regaled them with a host of performances and games. A pertinent thing that stood out from the student's feedback about the visit was the grim reality regarding the lives of most elderly aged in India and the need to bring about a change in our society.

A STEP TOWARDS MAKING UNDERPRIVILEGED LIVES BETTER...

CONTRIBUTING WITH

Mission Education

Millions of children in India are living underprivileged lives. They are deprived of education despite state laws and prohibitions to child labour. Working in hazardous conditions, living on the street, braving hunger, poverty and violence, childhood for them has become an endless struggle to survive.

But despite circumstances and adversities, there are dreams in their eyes which are as colourful as any other child's and they have just as much potential to

fulfill them however there lacks a fair chance and opportunities to go school, to hone their talents, to even have a happy and carefree childhood that every child deserves.

Mission Education is a program, which takes initiative to provide such dreamers with quality education. As we shared the common ideology we took a step ahead and with the help of our pupils, teachers and other staff members donated a share of smiles in the form of books, notebooks,

stationery material which could fuel their young spirits. The efforts and contributions from students were worth an appreciation for they contributed to the max of their abilities and rejoiced the feeling of involvement which was no less an inspiration to them in turn encouraging them to respect and embrace the blessing of education they are privileged to have and made them realize the meaning of sharing and caring.

A DROP OF BLOOD...A GIFT OF LIFE

Blood Donation Camp

"There is no great joy, than saving a soul"

EXTENDING A HELPING HAND...

Contributing to the relief fund

At Uday Foundation

Amidst the crux of calamity, the only resolve we can offer are our little efforts to assuage the pains of the sufferers. Kerala was struggling to hold its head above water, due to Nature's catastrophe. The worst ever disaster in the state claimed more than 350 lives and several missing. The flood fury rendered thousands of people homeless leaving them helpless.

We sought a resort by offering our little in terms of possible basic supplies such as the eatables, medicines and available resources required for survival. Uday Foundation, a New Delhi based NGO, working to provide relief in the times of disaster was the medium we chose to carry our accumulated help from parents, students, staff and Management to help those in need.

BEING OBLIGED TO THE ONES WHO MAKE OUR LIVES EASY

Expressing Gratitude

As a school we register our responsibility to imbibe a humble quality of gratitude in our pupils, and therefore this year the school initiated to formulate activities to invoke sensitivity in students to be thankful to the ones who help us in making our lives better. The sensitization began with the preparation of thank you cards by students of all classes for the school helpers, which was a commendable effort on part of students for they posed their exclusive artistic skills in decorating the cards and along with scripted their nostalgic and emotional messages for each helper.

The efforts carried on wherein these cards were presented to their forbearers in special assemblies which was no less an overwhelming experience for everyone. The experience brought out an eruption of equally emotional expression on part of the support staff who shared their regard and gratification at such efforts on part of students and school.

The exercise carried on wherein the students could not stop themselves from thanking all those who have been conducive in their lives, which was expressed through 'little expressions' placed on the thank you boards displayed in each block of the school.

In the era of declining human relations and eroding values such celebrations help children to fill their hearts with readiness to cherish all what they have and express their thanks in a simple and sincere way.

PROBING CONCERN FOR CRACKER FREE DIWALI

Anti Fire Cracker Rally

It is evident that with the growing technological advancements and developments on large scale we are somewhere denying the environment which is a major concern. Despite regular warning and awareness drives, we still

see deterioration in air quality due to human activities. However, school perceives its responsibility to prepare the young brigade of sensitive future bearers to plead and educate the society and its people about the harms in

bursting crackers by defining the true meaning of celebrating Diwali. Anti fire cracker Rally catered to the need, wherein the students volunteered to sensitize the people of Mayur Vihar and requested them to celebrate a cracker free Diwali. This year our students also initiated a cyclothon carrying a message to contribute to the reduction of pollution.

Learning Gulf

Educational Excursions

Outdoor Ventures

“Learning is the process whereby knowledge is created through the transformation of experience.” Albert Einstein

At Bal Bhavan, we believe in experiential learning and therefore, sought to provide multifarious opportunities to our young encouraged minds, in order to strengthen the concepts learnt in the classroom. The various excursions and visits throughout the year were directed to enhance the learning of students by giving them opportunity to experience the facts they have learnt and help them question the reason and develop understanding through the multi facet explorations.

During the year the school organised different excursions for different classes as per their learning capacities, and succeeded in tapping their skills and understanding. Here is a gallery of live experiences our students had at different ventures.

PAYING TRIBUTE TO INDIAN AIR FORCE...

At Indian Air Force Museum, Palam

TRIP UNDERTAKEN BY STUDENTS OF CLASS VI ON 2ND MAY, 2018

SIFFCY Film Festival

BY SMILE FOUNDATION

The students from classes 6-8th were invited to attend SIFFCY Film Festival organized by Smile Foundation, which works for underprivileged children and helps them in uplifting themselves by providing them opportunities of education and career and counseling them in different fields. The event was organised from 10th to 16th December, 2018. Our students not only gave a remarkable dance performance in the inauguration ceremony of the event but also became an ingenious audience to the exhilarating movies.

The event was not just entertaining but also a learning experience for students with themes that would enlighten students with a better vision of life.

Excursion to 'National Bal Bhavan'

UNDERTAKEN BY STUDENTS OF NURSERY AND KG ON 3RD MAY, 2018

A yet another exciting and rejuvenating experience for the students of primary wing, wherein they got a chance to visit National Bal Bhavan at ITO. The visit was undertaken by students of primary wing on different days, wherein they were made to experience a vast spectrum of learning in fun filled environs. They were introduced to the origins of their country India; the rural India, the ancient antiques and regional painting. It was a learning experience for students filled with excitement and amaze. They saw various exhibits at the place and were delighted to learn about the same.

TDMUNC

TURNING INDIVIDUALS INTO THE GLOBAL CITIZENS

From past many years, the discussions partaken under MUNs had been a great learning experience for the growing youth. Apart from building confidence and critical thinking, it has been an enriching step towards building global citizens. Schools shouldering the responsibility of developing individuals, who could contribute to the world's future needs, try to create opportunities for its pupils to understand and furnish their stand on the issues arising in the world.

One such opportunity favored our students, wherein they got an opportunity to be a part of 'The Delhi Model United Nations Conference' organized by Delhi University Student Union on 18th and 19th August, 2018 at Delhi University conference center.

The event being an educational simulation was a chance for students to learn about diplomacy, international relations and the United Nations. It involved and taught the skills of speaking and debating wherein the students developed deeper understanding of current world issues. Our students represented themselves as delegates from different countries and proposed the solutions based on their research on the problem aroused from the represented countries' perspective.

Participating at a university level was no less an enriching and learning experience for each participant.

AN EXPOSURE TO ACADEMIC OPPORTUNITIES ABROAD

With Canadian University

Guidance and exposure play a major role whenever career related decisions are to be taken. In order to achieve this objective the school organized a workshop on 1st October, 2018 for students of class IX to XII. The School invited Canada's leading experts on International Education on behalf of Canadian University Application Centre (CUAC). As a consortium of public government funded research universities, CUAC offers counselling, and admission and visa services to students for studies in Canada.

Mr. Mel Broitman, Director CUAC and Ms. Lauren Cullen, International Student Advisor, Saint Mary's University, Nova Scotia has been helping Indian students grab international opportunities in higher studies for the last twenty years. In this span, the CUAC has assisted more than 4,000 Indians to come to Canada to study and complete their degrees out of which many have also started wonderful careers and live in Canada, and other countries abroad. It was a wonderful session providing concrete pathway to those aspiring youngsters who look forward to academic and career opportunities abroad.

PROBING CAREER ETHOS

Success Mantras

WITH MR. JITIN CHAWLA

What after this? It is one of that question which echo through the minds of all those students who step into class 12th, the conclusive chapter of their school journey. In order to help our students take this crucial decision, a visit was organised a career counselling seminar by Mr. Jitin Chawla at Siri Fort Auditorium, on 19th April, 2018.

The seminar was not merely a session discussing the possible career opportunities for students after class XII, rather a well strategized event where Mr Chawla talked to the students about various career options as per their interest areas, talking about industries and fields which are innovative, creative and promise a successful career. The stage was also shared by experienced psychologists and HRs of renowned companies. Thus the discussion covered topics such as management of time and social and personal life throughout the year in order to achieve the best possible outputs. The topic of stress management was also taken up as a prominent point of discussion.

The HRs from various institutions served as the expert hands of various fields and supplied the students with the ground reality of things, once they move out in the society seeking professional help. Thus the visit served as a real bubble buster and support to the conscious learners, paving for them a resort and a way ahead.

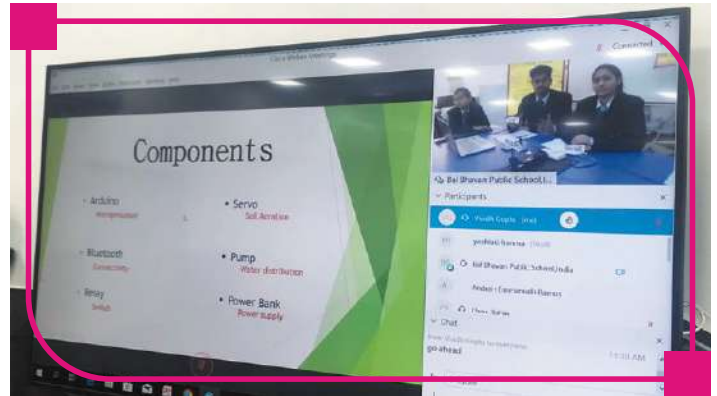

EDUCATIONAL EXCHANGE PROGRAMME WITH JAPAN

TAYOMA SCIENCE SYMPOSIUM

With the world opening up like never before, the importance of foreign languages and student exchange programs cannot be underestimated. As an educational institution we realize the importance of shaping global citizens so as to develop acceptance and understanding of an array towards different cultural and community perspectives. The foreign exchange programme with Japan was one of the major links in the series of such initiatives giving our students a chance to experience another culture first hand. The aim was to adapt the best academic practices of each other, analysing the teaching methodologies and programmes to ensure the all-round development of the students. The secondary phase of the programme was establishing a direct communicative link of our students with the students in Japan via online mode. In this phase students were teamed up to demonstrate an innovative project for which they were given the time duration of a month. Our students presented their model upon the theme of automatic irrigation, a system controlled through Bluetooth to water the farms automatically. On the day of the presentation the students demonstrated their projects and tried to understand the mechanism of the projects in detail. It was a successful attempt which ensured an excellent measure of personal flexibility, encompassing an ability to reach compromise, focus and succeed through challenging times by supporting each other.

Illuminate - Entrepreneurial Summit

The workshop was organized by Entrepreneur Cell of Hansraj College (Delhi University), on 27th September, 2018 for School and College students, aimed at fostering the spirit of entrepreneurship in the young budding learners and to motivate and inspire them towards the profession. The workshop was attended by few of our commerce students of classes XI and XII.

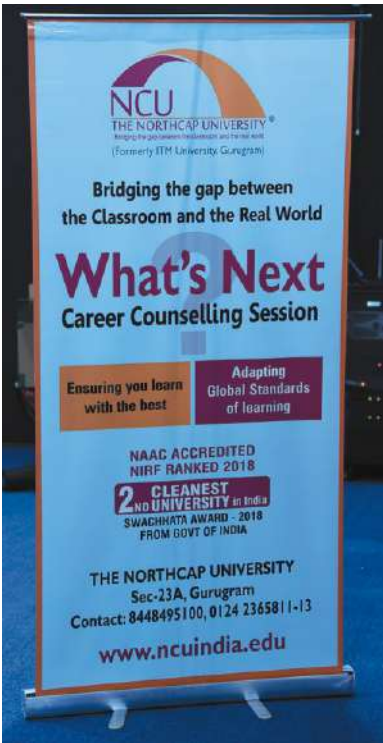

Under the mentorship of established renowned entrepreneurs from different field, the workshop gave students a hope to live their dreams. Mr. Richard Rekhy (CEO, KPMG, India), Mr. Tushar Lall (a Youtuber). Mr. Vaibhav Kanwar (Founder, Clapbox Instruments) and Mr. Gulzar Azad (Country Head, Connectivity, Google India) were the eminent speakers during the session. The speakers shared their experiences in the field alongwith the struggles and challenges associated in the journey of success. Their superintending teachings and guidance ushered the students to stay positive towards their dreams and made them realize that nothing is impossible if you are determined enough to realize your dreams.

Workshops and Seminars

BEING CYBER SAFE WITH

Rakshit Tondon

UNCHAINING THE SHACKLES OF INTERNET

WORKSHOPS & SEMINARS

Encaged in the web of Internet, the present generation of kids certainly need refuge to shield themselves from the seductions posed by the growing technology. In the stimulation of the emerging concern, the school organised a workshop hosted by the renowned Cyber Security Expert of India, Mr. Rakshit Tondon. The workshop was conducted in two sections addressing to the students and their parents separately.

The truly enthused persona of Mr. Tondon, laid a mark on the mind sets of students, when he acquainted them with the harms of unmonitored internet usage. He talked about the penalties and retributions as per the Indian Law and Order, for various cyber crimes flourishing amongst the youngsters these days. Along with the warnings and harms, he also guided the students about the safe usage of Internet and various websites.

The session undertaken for the parents, sought to sensitize the parents about their responsibilities in the direction, and ushered them to supervise the acts and activities of their children while using technology. He also chided the parents for their neglecting and ignorant behaviour in the upbringing of their child and counselled them for their poignant role in being an astute guide to their children.

PARIKSHA PE CHARCHA

An enriching session by the Prime Minister

“It is easy to walk on a path trodden by many... what makes a difference is our choice for road not taken”

As the pressure of CBSE board examinations and final examinations mounts among students, Prime Minister Narendra Modi initiated to reduce the exam pressure of the students through an edifying session of 'Pariksha Pe Charcha 2.0' on January 29th, 2019. The efforts were worth an appreciation as the session touched upon many facets of examinations and commencement of stress-free examination.

The session incorporated the problems and queries of students, teachers and parents and a solution to all considering that examinations are not just the end of life. During the session the parents were urged not to treat the report cards of their children as their visiting card or a means of their fame, rather value their individual strengths and talents. He guided the students upon the concept of time management giving examples from the world around considering it the key aspect in the way to success. Students were guided to treat challenges as a way to polish their skills and advancement in Technology a means for expansion of the mind and innovations and development.

UNDERSTANDING CONSUMER RIGHT WITH

Ms. Harpreet Kaur

PLACATING THE CONSUMER NEEDS

The workshop conducted on 'Consumer Rights' was indeed an informational session for the youngsters of today. The session was undertaken on 04 October, 2018 by Ms. Harpreet Kaur, Member of Consumer Redressal Forum, Saini Enclave, who mentored students about their rights as consumer in a market place. The discussions raised the major issues pertaining to real life experiences and incidents and the exploitation of consumer in goods and services offered. Ms. Kaur guided students about the procedure involved in seeking Redressal for the same. The students shared their grievances and satiated their concerns during the session.

Fighting Disasters

A WORKSHOP ON DISASTER MANAGEMENT

“Preparation through education is less costly than learning through tragedy...”

The workshop organised on 26 November, 2018 under Disaster Management Risk Programme to train and prepare our students for the possible natural disasters. The programme was initiated under the aegis of 'The National Disaster Management Authority, Govt. of India', which aimed to build a safe and disaster resilient India by a holistic, pro-active, technology driven and sustainable development strategy that involves all the stakeholders and foster a culture of prevention, preparedness and mitigation. The workshop was led under Ms. Pooja (trainer at National Disaster and risk Management Authority). She gave basic training to the students such as first aid, use of fire extinguisher and building temporary structures such as stretchers etc. to help the victims in times of calamities. The workshop turned out to be an enriching experience for our students and helped them to prepare themselves for such impending situations.

Journey Back to School

WORKSHOP BY EDU- EXCELLENCE

AT THE SCINDIA SCHOOL, GWALIOR

One of the enriching experiences for the school's Vice Principal, Mr. Vividh Gupta, had been the workshop organized by Edu- excellence at The Scindia School & Scindia Kanya Vidyalaya, Gwalior, from 25th July- 28th July, 2018. The workshop focused upon the areas of Teacher development and qualitative teaching and learning in the school scenario. It was specifically organized for school leaders and professionals from the educational field. During the sessions the participants were glad to peep into educational practices at global level and their impact and connect upon students and society. It guided them the methods of handling challenges and finding solutions to the problems. Along with the leaders also explored the practices at the host school and appreciated the working of the school which caters to the needs of present generation. 'It was a great opportunity to interact, explore and learn' says the Vice Principal.

SCINDIA KANYA VIDYALAYA

PRINCIPAL'S CONFERENCE 27th JULY 2018

Exploring the realms of Education and modifying the techniques of its direction

School's Principal Mr. B.B. Gupta & Vice Principal Mr. Vividh Gupta

UNDERTAKING AN EDUCATIONAL TOUR TO UK AND FINLAND

Rhyming to the fact that learning never stops and there is always a scope of improvement, the school's Principal & Vice Principal undertook an educational tour to UK and Finland to understand and analyse the qualitative aspect of education in schools of the said countries. The 10 day study tour had been an enriching experience, which enabled them understand the global perspective of education and compare it with current patterns practiced in Indian scenario. During the tour, they visited several schools and got a chance to explore the ideas and frameworks through which the schools impart education under their educational setup and the wide discussions undertaken with the experienced school leaders helped them bring changes in the method and techniques through which education can be ameliorated in our school. "The interaction undertaken with around 40 leaders from different countries and engaging through the Ted Talks about the current education system had been a challenging benchmark for us and we will try to incorporate the learned techniques and outcomes in our school's working scenario" says the school's Vice Principal.

THE TIMES OF INDIA PRINCIPAL'S CONCLAVE

The event was themed Innovation, Digital Transformation and Safety in Schools, which was organised by The Times Of India under the guidance of renowned dignitaries Lt. Mr. Sanjiv Kaura, CEO-CSR, The Times OF India and Mr. Parag Rastogi, Director, The Times OF India on 20th September, 2018. Our school's Headmistress, Ms. Kavita Mehrotra and Ms. Neha Gupta (PGT English) attended the event and acquired a prolific experience being amongst the renowned intellectuals, Educationists, Policy Makers and Leaders from the realms of Education.

The event incorporated a healthy discussion upon the techniques and methodologies that could be adopted by school leaders to create an environment which is conducive, safe and effective for teaching & learning in a school scenario. It aimed to re-energize the education system through effective implementation of networking platform and creating environs for a rightful leadership.

Capacity Building Programs

The schools' teachers have regularly been part of capacity building workshops organized by CBSE, which is an enriching session for teachers to share, discuss their teaching methodologies and experiences to improvise the concepts and learn alternative techniques to enhance student learning capacities of the subject. This year this workshop was organized in subjects- Hindi, English, Business Studies, Accountancy, Physics, Science, Political Science attended by Ms. Meenakshi (TGT Hindi), Ms. Neha Gupta and Ms. Pooja Balodhi (PGTs English), Ms. Divya Kaushik (PGT Accountancy), Ms. Radhika Luthra (PGT Political Science), Ms. Ruchi Khanna (PGT Business Studies), Ms. Mamta Thakkar, Ms. Aradhana Bhardwaj and Ms. Rehna Razack (TGTs Science), Ms. Mansi Malkotia (PGT Social Science), Mr. Anil Batra (PGT Physics), Ms. Nidhi Kiran (TGT Mathematics) in their respective subjects.

The key focus during the workshops was upon the CBSE curriculum and the rightful approach to make it more interactive and skill enhancing experience for students. During the sessions the teachers were able to share their difficulties and problem areas while dealing with different topics under their subjects. The interaction amongst teachers was instrumental in augmenting their teaching proficiencies. Learning through each other's experience was one of the accomplishments teachers had during the sessions. Along with the customary teaching learning discussion the workshops also focused upon preparation for examination and guided teachers to placate their answer sheet checking skills, so that there is no discrepancy in checking the exam papers.

Capacity Building Workshop for Science

One such Workshop was organized in the school on 29th October, 2018, for subject Science, under CBSE, in which around 50 teachers from different schools of Delhi NCR participated. Our school was the venue for the same with Resource Persons, Ms. Ritu Tiwari and Ms. Meetu Kumari. The two day workshop was aimed to refresh and reinforce the basic methodologies of some of the very important aspects of teaching and learning science.

The concept of Bloom's Taxonomy, wherein the key focus is upon the area of learning based on remember, understanding, application, analysis, evaluation and creation. Teachers were guided to conceptualize their teaching based on the mentioned outcomes.

The interactive session amongst teachers, and the activities so framed were instrumental in finding solutions to the everyday problems faced by teachers in the teaching of science. Our school TGT Science Ms. Mamta Thakkar, Ms. Aradhana and Ms. Rehna Razack were

part of the workshop along with PGT Biology Ms. Swati Poornanand. The session also focused upon learning based on practical implications and Lab handling.

TRAINING SAFETY FROM DISASTER

Disaster and Risk Management Workshop for School Leader

UNDER THE AEGIS OF DELHI DISASTER MANAGEMENT AUTHORITY

The workshop organized by Delhi Disaster Management Authority on February 14, 2019 in collaboration with Global Rescue Foundation had been an enriching and awakening experience for school leaders and teachers from aided, un-aided and government schools of Delhi NCR. Around 300 individuals participated in the workshop and acquainted themselves with the precautions and safety standards they need to set in their school scenario.

The chief guest for the occasion was Mr. K. Mahesh (District Magistrate, East) along with Mr. Arun Gupta

(ADM, East) and Mr. R N Singh (chairman, Global Rescue Foundation). The resource person for the event were Dr. J.C. Yadav (Deputy Director of Education, Zone II), Dr. Mohd. Javed (Deputy Director of Education, Zone-III) and Professor Chandan Ghosh (National Institute of Disaster Management).

During the session the participants gained insight in the disaster management framework and role of government and community, relief and resilience, disaster preparedness and readiness, use of science

and technology in disaster management, flood and safety measures, earth quake safety and risk modeling. The themes for discussion were human

resource and capacity building, health and psychological aspects in disaster and innovative aspects to reduce and handle disasters.

UNDERSTANDING THE NEEDS OF THE AILING PLANET

Universal Call for Action

AN URGE FOR SUSTAINABLE DEVELOPMENT

Being considerate to the fact that as teachers we are dealing with young minds who are still at a stage of learning, thus being at power to seed the dynamic minds and instilling within them the very idea of being 'Global Citizens' the individuals who are aware and understand their identity in the wide world and their individual responsibility towards the community.

United Nation development programmes' initiative of SDG'S (Sustainable Development Goals) is meant to achieve the same.

In this regard the school organized a workshop upon the theme on 11th September, 2018 realizing the acute need of bringing a profound change in the teaching learning process. It was an interactive session with Ms. Sunita Rajiv AHM, Ahlcon International School and Dr. Ekta Kandhari Ratra, Incharge Student Engagement and Outreach Programme, Ahlcon International School. With the engaging and interactive activities, the teachers realized their catalyst roles in sensitizing the young brigade of future bearers and understood the key responsibility the schools will have to play to shape the students into committed Global Citizens. The session was inspiring and informational and guided teachers to adopt qualitative strategies to promote the need of the era.

EDITORIAL

It had been a full-fledged prolific year with a lot of recreational activities undertaken by us and several achievements gathered in our bounties. We undertook new challenges and conquering several hurdles and obligations we succeeded in adding few more glories to our attained splendor. Looking through the year, we are captivated for the learning outcomes we had out of the assorted endeavors assumed by us. The session began with a challenge of International School Award by British council, which decided our curriculum of the entire session incorporating the chosen activities as per the selected action plans under it. In the realization of the same, we had an incredible & enriching experience, wherein we underwent the global dimensions of the chosen topics and had an engaging and fruitful experience of International Collaborations with schools of different countries. Along with, we were able to tap upon the student creativity during the Annual Science Exhibition in the month of July. Our students brought laurels from the challenging Inter school events in the field of culture and sports. The school and its leaders were adorned with several awards and felicitations; moreover the school stood amongst the East Delhi Challengers as according to TIMES Survey of education times. Though, the closing year 2018 also gave us an unbearable Loss. An important entity and a poignant pillar of the school, Smt. Kamlesh Devi, left for her heavenly abode. Her forbearing presence though shall always entice us during our triumphs and victories. Overall we still believe in learning through scuffles and believe that there is lot yet to be done to attain gratifications. This year's issue tries to throw light upon few of our endeavors out of the abundant tasks undertaken and brings a promise of many more new adventures in the years to come.
